BEST AVAILABLE COPY

Dear Sirs:

I, Robert I. Berry, am the Chief Executive Officer of Dendritic Nanotechnologies, Inc. (DNT) of Mt. Pleasant, Michigan. Very recently DNT has obtained by assignment a significant number of patents and patent applications as shown by the attached Schedule A. Copies of these submitted assignments that are as yet unrecorded are provided with the 37 CFR 3.73(b) form.

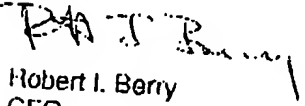

By this letter I am requesting that the patents and patent applications shown on attached Schedule B now be entered as having small entity status under 37 CFR 1.27(c)(2). Being aware of the restrictions on claiming such small entity status, these two schedules are not identical. The appropriate fees for small entity status for some of these patents are provided with the maintenance fee payment request form.

Additionally, for all patents and patent applications listed on Schedule A, I request that all prior powers of attorney be revoked and that Karen L. Kimble, Reg. No. 26,995, Customer Number 50477, be appointed as attorney for DNT. A General Power of Attorney for this purpose is attached.

Please enter all these requests as promptly as possible.

Your assistance is appreciated.

Yours truly,

Robert I. Berry
CEO
